

Notice of Dangerous Goods Handling and Transportation Act Application

Manitoba Conservation and Climate has received an application pursuant to The Dangerous Goods Handling and Transportation Act regarding the following operation and invites public participation in the review process:

MANIPOGO PROVINCIAL PARK HAZARDOUS WASTE DEPOT – FILE: 6093.00

A Dangerous Goods Handling and Transportation Act application has been filed by Manitoba Conservation and Climate, Parks and Resources Protection Division for the collection of single-use compressed gas cylinders at the Manipogo Provincial Park located at NW 04-25-17 WPM, Province of Manitoba. The material will be transported to a licensed facility for further processing, reuse or disposal. All material is transported from this facility and no hazardous waste is disposed of at this location.

Anyone likely to be affected by the above operation and who wishes to comment on the application should contact the department in writing or by email to Edwin Yazon, Environmental Engineer, at Edwin.Yazon@gov.mb.ca, not later than MARCH 2, 2021. Further information is available from the Public Registry: www.gov.mb.ca/sd/eal/registries/

Information submitted in response to these applications is considered public information and will be made available to the applicant and placed on the public registry.
