

Notice of Environment Act Proposal

Manitoba Conservation and Climate has received a proposal pursuant to The Environment Act regarding the following operation and invites public participation in the review process:

NUTRIEN AG SOLUTIONS (CANADA) INC. – BULK MATERIAL HANDLING FACILITY – FILE: 6107.00

An Environment Act Proposal has been filed by Nutrien Ag Solutions (Canada) for the construction and operation of a 9,302 square meter bulk material handling facility located on civic address 340 Goldenrod Drive, Winnipeg, MB, legal land description as being Lots 1, 2, 3, 4, and 5, of Plan 64621, WLTO, in SE ¼ section 34-11-2 EPM in the Brookport Business Park. The new distribution center will store agrichemical products such as pesticides, bagged seed, and bagged fertilizer.

Anyone likely to be affected by the above operation and who wishes to comment on the proposal should contact Krystal Penner, Pesticide and Agricultural Program Specialist in writing or by email at Krystal.Penner@gov.mb.ca not later than July 5, 2021. Further information is available from the Online Public Registry: www.gov.mb.ca/sd/eal/registries

Information submitted in response to this proposal is considered public information and will be made available to the proponent and placed on the public registry established in accordance with Section 17 of The Environment Act.
