

# Private Water System Bacteriological Subsidy Program

The Province of Manitoba offers private water system owners a once-a-year subsidy for bacteria (total coliform and *E. coli*) analysis of their drinking water through Horizon Lab. If the first sample result indicates the presence of bacteria, homeowners will receive a coupon from the lab for one resample free of charge.

Effective April 1<sup>st</sup>, 2021, the total price to homeowners for the once-a-year subsidized sample is \$22.31 (tax included).

For information regarding sample bottle pick up, sample submission requirements, and payment options, please contact Horizon Lab directly.

Horizon Lab LTD
