Mr. Dennis Neufeld
Program Director, Manitoba
Electronic Products Recycling Association
Box 210, Suite 315, 1600 Kenaston Blvd.
Winnipeg MB R3P 0Y4

Dear Mr. Neufeld:

I am pleased to issue an Approval to the Electronic Products Recycling Association (EPRA) for the Manitoba Stewardship Program Plan for End-of-Life Electronic Products (the Program) effective July 1, 2018. This Approval will expire June 30, 2023, pursuant to Section 7(4) of the Electrical and Electronic Equipment Stewardship Regulation (Regulation) under the Waste Reduction and Prevention Act (WRAP Act).

This Approval is issued to EPRA under Section 7(2) of the Regulation and is subject to EPRA meeting the conditions as set forth in "Attachment A" of this letter, and which forms part of this Approval.

If I am not assured that EPRA is implementing or operating the Program substantially in accordance with its intent, or where I or my officials have concluded, based on relevant circumstances, that the Program or terms of this Approval, including "Attachment A: Conditions of Approval" should be reviewed, then pursuant to Section 8 of the Regulation new or additional conditions may be imposed as deemed appropriate so as to ensure that the environmental outcomes and regulatory requirements are fulfilled.

The Department intends to establish guidelines for third party assurance of non-financial information to be reported by all approved stewardship program operators in the Province of Manitoba. My officials in Manitoba Sustainable Development will work with EPRA to establish guidelines to provide the Manitoba Government with a reasonable level of assurance that key performance measures of the Program are reported accurately.

It is a priority of this department that the Program provide convenient, province-wide accessibility to all Manitoba communities including Manitoba's northern, remote and First Nations communities. I expect EPRA to work collaboratively with other Producer Responsibility Organizations to maximize synergies and deliver program outcomes in a cost effective and efficient manner.

I will take this opportunity to remind you that under Section 11(1) of the Regulation, as Minister, I have the authority to suspend or cancel the Approval of the Program at any time if there is a breach or contravention by EPRA as the operator of the Program, of either the WRAP Act or the Regulation or the conditions set forth in this Approval and, if applicable, subsequent amendments of this Approval.

Any notices to be provided to department officials pursuant to this Approval shall be submitted in writing to: Senior Manager, Waste Diversion and Recycling Unit, Manitoba Sustainable Development, Box 38, 200 Saulteaux Crescent, Winnipeg, Manitoba, R3J 3W3.

EPRA should submit their next application for renewal of this Approval by January 31, 2023 to allow adequate time for review and public consultations.

I look forward to the continued operation of the Program in the Province of Manitoba.

Yours sincerely,

Rochelle Squires
