

MEMORANDUM OF UNDERSTANDING (MOU)

DESIGNATION OF WATER PLANNING AUTHORITY

FOR THE DEVELOPMENT OF THE

DAUPHIN LAKE INTEGRATED WATERSHED MANAGEMENT PLAN

THIS MEMORANDUM OF UNDERSTANDING is between:

GOVERNMENT OF MANITOBA
as represented by Manitoba Water Stewardship –
Watershed Planning and Programs
(Hereinafter referred to as Manitoba)

and

INTERMOUNTAIN CONSERVATION DISTRICT (IMCD) and
TURTLE RIVER WATERSHED CONSERVATION DISTRICT (TRWCD)

1. PURPOSE

The purpose of this MOU is to designate a Water Planning Authority for the development of the Dauphin Lake Integrated Watershed Management Plan.

2. VISION

The vision is that watershed stakeholders, municipalities and government agencies will work through the planning process cooperatively, identify the priority issues and concerns of all groups, utilize local knowledge and scientific information to develop objectives and actions, reach consensus on funding and implementation, and develop the Dauphin Lake Integrated Watershed Management Plan.

Manitoba realizes that effective and sustainable watershed management must include local involvement in the planning and management of the natural resources and be the shared management responsibility of all stakeholders and watershed residents.

3. AGREEMENTS

Manitoba agrees to:

1. Designate the Intermountain Conservation District and the Turtle River Watershed Conservation District as the Water Planning Authority for the Dauphin Lake watershed as shown in Figure 1 and as authorized by *The Water Protection Act*.
2. Provide a Watershed Planner from Manitoba Water Stewardship – Watershed Planning and Programs to assist with the planning process.
3. Provide a watershed management planning grant of \$50,000 to the Water Planning Authority for the Dauphin Lake watershed.
4. Provide additional in-kind financial and technical support from other provincial staff through the provision of information necessary for the development of the plan.

Intermountain Conservation District and Turtle River Conservation District agree to:

1. Become the Water Planning Authority for the Dauphin Lake watershed as shown in Figure 1.
2. Play the lead role in the development and implementation of the Dauphin Lake Integrated Watershed Management Plan, with an understanding of the value in developing the plan as a document that identifies and focuses on priorities and provides direction on watershed management efforts and activities over the next 5-10 years.
3. Use the watershed management planning grant of \$50,000 for eligible items and activities as listed in Appendix 1 and return any unexpended funds to the Province at the completion of plan development.
4. Commit financial and staff resources to the planning process and the development of the plan.

Both Parties agree to:

1. Work together to develop a Terms of Reference for the development of the Dauphin Lake Integrated Watershed Management Plan.
2. Strive to complete the plan within two years from the date the plan is initiated.

3. Provide watershed stakeholders with meaningful opportunities to participate in the planning process.
4. Develop the Dauphin Lake Integrated Watershed Management Plan in accordance with *The Water Protection Act*.

4. DURATION

This MOU becomes effective on the date of signatures below.

This MOU is ongoing unless it is terminated by either Party upon written notice to the other Party.

This MOU may be amended at any time by mutual accord.

Signed:
